AMFT #126004

I believe in the transformative power of therapy to help foster growth and resilience for individuals that are finding their path to healing, self-confidence, and self-value. Alongside the journey towards self-love and self-exploration. I have a genuine compassion in helping clients that suffer from trauma, depression, anxiety, and domestic violence by providing psychoeducation, psychotherapy, and inform on resources available in the community. I am honored to be a part of your journey towards self-discovery, healing, and growth.
