Clinical Supervisor

LCSW #97833

Delia Valenzuela is a Licensed Clinical Social Worker who has experience working with diverse populations. Her professional experience includes working as a Clinical Therapist in an acute mental health setting as well as a detention center that serves adults dealing with severe mental health challenges such as Schizophrenia, Bipolar Disorder, Depression, and Anxiety. Delia has also built experience as a Medical Social Worker working within a hospital emergency room where she conducted bio-psychosocial assessments, evaluations for involuntary detainment, 5150 certifications, crisis intervention, de-escalation, end-of-life care, and facilitated medical continuum of care for all age groups. Delia's focus is to create a safe, compassionate, and non-judgemental space for each of the clients I work with in order to foster personal growth and a healthier emotional well-being.
